

ALLAN SCOTT GENERATIONS

These wines are a tribute to family tradition and a commitment to quality.

They are single-vineyard sourced and made from the best grapes grown on the Scott family's own estate. These elegant wines are the result of low-yield vines, meticulous viticulture and special attention in the cellar. Due to the exacting standards, these wines are only produced in limited quantities.

2015 Dry Riesling

Allan believes Riesling is one of the forgotten noble varieties. It ages extremely well, has plenty of fruit and matches a wide range of food.

Generations Riesling comes off our Moorlands block, planted in 1978. The vineyard is pruned to two canes and extensively crop thinned to bring this notoriously late ripening fruit harvest closer to the end of March. Although not overbearing, we encourage some botrytis in the vineyard which gives the wine extra orange and spice characters.

Once harvested the clean juice is inoculated and goes through a very cool ferment (8°C). The wine is then racked to old barrels to become completely dry before aging.

Limes, lemon and all citrus family fruits are dominant on the nose. These flavours flow through to the palate, and are accentuated by the dry finish and almost mouth puckering dryness. Served chilled this is a great match with spicy dishes.

Technical Specifications (at bottling)

Alcohol	13.0%
Residual Sugar	5.0g/l
pH	3.10
TA	7.35g/l
Oak Treatment	none
Vegetarian/Vegan	Fined with Isinglass
